

COVERAGE OPTIONS

AG VAP PAINT

To assist in the prevention of environmental damage to treated exterior surfaces caused by UV exposure, road salt, de-icing agents, weather-induced fading, tree sap, insect damage, bird droppings, acid rain, hard water etching, accidental paint overspray, industrial fallout, and oxidation. Includes Headlight Protection with the purchase of both AG VAP Paint and AG VAP Interior.

AG VAP INTERIOR

To assist in the prevention of damage to treated interior cabin surfaces caused by stains from oil, pets, food and drinks, makeup, chewing gum, blood, urine, vomit, ink and dye transfer, UV exposure and temperature extremes, leather and vinyl fading, and burns, cuts, rips, and tears. Will also assist in the prevention of odors caused by microbes, including mold and mildew, on treated interior surfaces, cargo areas and A/C vents.

OPTIONAL UPGRADES WITH AG VAP*

ALLOY WHEEL PROTECTION

To assist in the prevention of cosmetic damage to the face of the treated alloy wheel caused by corrosion or surface abrasions.

PROTECTION WHEN DENTS OCCUR

To assist in the protection of painted exterior surfaces that become dented.

WINDSHIELD BOND

To assist in the prevention of damage to the windshield caused by a propelled object.

* Available only with the purchase of AG VAP Paint.
