EWT+ EXCESS WEAR & TEAR*

Leasing a car should be a carefree and enjoyable alternative to the responsibilities of vehicle ownership. When it's time to turn in your vehicle, lease agreements hold you responsible for the condition of the interior and exterior.

Auto insurance pays for certain types of damage to your vehicle; however your insurance does not pay for excess wear and tear – you do! **EWT+ can provide a benefit for the most common types of interior and exterior damage charges at lease termination, including but not limited to:**

- ✓ Dings and minor dents
- ✓ Scratched and chipped paint
- ✓ Chipped glass
- ✓ Missing keys or manual
- ✓ Tires, wheels and wheel covers
- ✓ Cuts, rips, cracks, burns, stains and spotting
- ✓ Discoloration, stone bruises, sand damage and pits
- ✓ Lenses – headlamps, rear lamps and fog lights

EWT+ PROVIDES LEASING PEACE OF MIND WITH EXCESS WEAR & TEAR COVERAGE UP TO A TOTAL OF \$5,000.*

*Each single incident causing excess wear & tear limited to \$2,000.

EWT+ PAINTLESS DENT REPAIR*

- Make your car look like new again as our technicians use specialized tools and techniques that remove dings and dents without compromising a vehicle's factory finish.
- For your convenience repairs can be done at the dealership, your home or your office, prior to lease termination.

EWT+ WINDSHIELD REPAIR*

- Repair unsightly, and potentially even unsafe, minor chips and cracks to your front windshield caused by propelled rocks or other road hazard debris, during the term of the contract.
- A benefit of up to \$2,000 is available for repairs prior to lease termination at your local dealership, your office or even your home.

EWT+ KEY/REMOTE REPLACEMENT*

- In the event your key/remote is lost, stolen, destroyed or inoperable, we will pay up to a maximum of eight hundred dollars for its replacement or repair, prior to lease termination.
