American Auto Guardian, Inc. ("AAGI") is proud to present its ACE TEAM!
What is it? It is AAGI's **Agent Care Experts Team**. Previously called Sales Support, we realized that the expertise with which our team coordinates business for our agents and dealers, the team should be recognized with what they have developed a reputation as....**Agent Care Experts!**

We are dedicated to your success and as an agent promoting AAGI's products; we are here to give you every advantage over the competition!

Your ACE team members are Sharon Connelly, Vicki Dalka and Jennifer Schanaberger. Jennifer and Sharon have been with the company for over two years; while Vicki's tenure is over six years! Vicki is the supervisor of the team. Together they comprise the best support assemblage AAGI has ever had.
